Section IV Participant Acknowledgement, Rollover Investment Direction and Signature

I have read and understand the Summary Plan Description, agree to the Plan provisions, received the Fee Disclosure Statement and reviewed and understand the fund prospectuses/descriptions, including the funds' objectives, risks, expenses and charges. By signing this form, I certify that:

- I am rolling over these funds within 60 days of the date I received them from an eligible employer plan or IRA (not applicable to direct rollovers).
- The rollover is from the source indicated and has not been combined with any money that would disqualify it.
- No portion of this rollover contribution represents amounts received as a hardship distribution from another employer plan.

I understand that if I do not have a plan account one will be established for my rollover contribution and invested in the plan default fund. Once my account has been established, I will be mailed my account access information and can make investment allocation changes through the plan website or Voice Response System. If I already have a plan account established, I direct that my rollover contribution be invested in accordance with my investment election on file.

Many investment companies have excessive trading and/or redemption fee policies for certain investments to eliminate or reduce the negative effects of short-term trading and market timing. When possible, ADP Retirement Services implements the investment company's market timing policy (as disclosed in the prospectus). However, in some circumstances ADP may impose a different policy than listed in the prospectus at the request or with the agreement of a fund company. Your plan investment options may be subject to these policies. See your plan website for your plan's fund policies and additional information.
